

The Song of the Hair

There are four verses. Verse 1. Ayer's Hair Vigor makes the hair grow. Verse 2. Ayer's Hair Vigor stops falling hair. Verse 3. Ayer's Hair Vigor cures dandruff. Verse 4. Ayer's Hair Vigor always restores color to gray hair. The chorus is sung by millions.

"Before using Ayer's Hair Vigor I had very thin and very poor hair. But I continued to use the Vigor until my hair greatly improved in every way. I have used it off and on for the last ten years."—Mrs. M. DRUMMOND, Newark, N. J.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TIRED OUT.

There's many a wife sits in the growing shadows of an evening, knowing what it is to feel tired out; as if there was not another ounce of effort left in her. But if healthy she knows how sound her slumber will be and how refreshed the morning will find her. But it's another thing for the sick woman to feel tired out. Rest only seems to increase her suffering. She feels acutely the aching back and throbbing nerves.

Stick women, hundreds of thousands of them, have been made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I am pleased to inform you of the benefit I received from using Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,'" writes Mrs. Elizabeth A. Oswald, of 44 Broad Street, Windsor, Essex Co., Ontario, Canada. "Was quite discouraged when I wrote asking your advice, as the physician here told me I could get no relief except by an operation. Suffered for four years from irregular and profuse menstruation, had sick and nervous headaches most of the time, and at times could hardly walk across the floor from weakness. I thank God there is such a remedy as Dr. Pierce's Favorite Prescription for suffering women. Before I had taken the first bottle the headaches had left me and it was not long before regularity was established and all continuous so. Have just finished house-cleaning which I never expected to be able to do again, and can truly say I never felt better than at present. I am a recommended 'Favorite Prescription' to all who suffer from female weakness. It has cured me and made me stronger in every way. Neither my husband nor myself can say enough in its praise."

The selfish seller who urges some substitute is thinking of the larger profit he'll make and not of your best good.

When a plank broke in the floor, letting the horse go partly down and running a large silver into its bowels.

A Charming Love Story.

To find a love story that is written with freshness and feeling and directness and truth is almost—for a publisher—like finding the Golden Fleece. James Hopper's story, "The Confidence," in the October McCure's, was a discovery of this sort. It tells about an American girl who went to the Philippines to teach, and of a mysterious fellow countryman who became her protector. It's a tale of chivalry and devotion, of a daring exploit on the part of the man, and equally daring on the part of the woman. To read it is to feel one's self twenty again, and in love for the first time.

A Pretty Wedding Wednesday Forenoon.

High Jeffersonian: One of the prettiest weddings that has occurred in this city for some time was witnessed by a limited number of relatives and intimate friends at the home of Dr. R. C. Carter at 9 o'clock Wednesday morning, Oct. 3, 1906. Mr. Guy Dooley of Iola, Kas., and Miss Bertie Carter were the contracting persons. Rev. J. H. Coil, pastor of the Christian church, officiating.

Proceeding the ceremony Mrs. Ned Asbury sang "All for Thee" and "I Love You Truly," with beautiful effect. Miss Anna Mary Barnes presiding at the piano. After that Mr. and Mrs. F. L. McCord sang a duet entitled "O moment that I Breathe." This was in the sweet tones belonging only to Mr. and Mrs. McCord.

Little Misses Jennette Asbury and Courtney Thornton took the part as flower girls, strewing roses down the stairway as they proceeded to the parlor where the wedding ceremony was performed. Master Robert Carter, nephew of the bride, was ring bearer. As the wedding march proceeded the attendants came down the broad stairway and entered the parlor, followed by the prospective bride and groom. The latter took place in the arched doorway. Mr. Coil spoke the words that made them man and wife in his happiest tones and with much feeling. The wedding was what is known as the "ring service." When Mr. Coil said, "With this ring I do thee wed," Robert presented the solid gold ring to him and in turn the minister handed the ring to Mr. Dooley who placed it on the finger of Miss Carter. The scene was beautiful and inspiring.

A ten o'clock breakfast was served to those in attendance. At noon the happy couple boarded the Alton Red Flyer for St. Louis where they will spend a brief honeymoon, returning home Saturday. They were showered with rice at the station by many friends who gathered to give them a hearty departure. They will begin house keeping next week at 214 Jackson street, Iola, Kas. The groom is traveling salesman for the Bush, Mize & Sullivan Hardware Co., Atchison, Kas., with headquarters at Iola.

The groom is the son of Mrs. Lea Dickey of this city. He grew to manhood here and has an enviable reputation as a modest, straightforward young man. The bride is the daughter of Dr. and Mrs. R. C. Carter of this city. She has lived here all her life and is prominent in society, possessing an active temperament and will give the house she has accepted the best of it with them the choicest of blessings, in which the Jeffersonian heart joins.

Among the out of town attendants at the wedding were: Mrs. Sarah Russell, Mrs. Sallie Russell, J. G. Russell, Mrs. Ada Carter and grandson Tom Hill, Mrs. Bailor Steel and Miss Lillie Fox of Lexington; Mrs. Bettie Barwood and daughter Mrs. Kate Lewis of Dover; Mrs. Ed Campbell and son, James of Gorder; Mr. and Mrs. Marcus Rhodes of Slater and Baynard Dooley of St. Louis.

When a horse is so overworked it lies down and in other ways declares its inability to go further, you would consider it criminal to use force. Many a man of humane impulses, who would not willingly harm a kitten, is guilty of cruelty where his own stomach is concerned.
